For Immediate Release

Billings, MT, June 29, 2016: Earlier today, the Billings Chamber of Commerce hosted an event honoring Congressman Ryan Zinke for his support of the business community. The U.S. Chamber of Commerce

honored Congressman Zinke with its annual Spirit of Enterprise Award in recognition for his support of pro-growth, pro-jobs policies during the last session of Congress.

The Spirit of Enterprise Award is given annually to members of Congress based on their votes on critical business legislation outlined in the U.S. Chamber publication *How They Voted*. Members who supported the U.S. Chamber's position on at least 70% of those votes qualify to receive the award. Of the 20 issues that were identified as critical for the business

community, Congressman Zinke supported 18 of them for a ninety percent rating

The U.S. Chamber of Commerce is the world's largest business federation representing the interests of more than 3 million businesses of all sizes, sectors, and regions, as well as state and local chambers and industry associations.

The Billings Chamber of Commerce hosted the event, but is not affiliated with the award.
