Chamber Announces Tour to Spain in 2014

For Immediate Release

Billings, MT, December 11, 2013: The Billings Chamber of Commerce/Convention and Visitors Bureau (CVB) announces Spain and the Costa del Sol as the 2014 international business and leisure tour destination. The trip will take place November 10 – 18, 2014 and will start at \$2,799 per person. This rate includes nine days and seven nights of hotel, meals, day trips and airfare from Billings. Participants do not have to be members of the Chamber to join the trip.

In its fourth year, the Chamber's business and leisure tours provide attendees an affordable option to explore a different culture while networking with others on the trip. The past three trips took groups of about 30 travelers each year to China. David Irion (St. Vincent Healthcare Foundation) had this to say about his 2012 trip: "The Chamber China trip provided a great survey of eastern China. Understanding the immensity of the Chinese economic engine, both at present and in the future, is critical in terms of the world and US economy. The Chamber trip gave all participants a good sense of what's going on."

Karen Fagg (H-B Property MT) shared about her 2011 trip, in which she brought her husband and children, "We wanted to expose our children to another culture. We accomplished that and so much more. What a great family adventure!"
